Trading Update

PHSC (AIM: PHSC), a leading provider of health, safety, hygiene and environmental consultancy services and security solutions to the public and private sectors, provides the following update ahead of its Annual General Meeting being held at 10.00 a.m. today at the Company's registered office at The Old Church, 31 Rochester Road, Aylesford, Kent ME20 7PR.

Trading Update

The Board notes that the Group's unaudited management accounts show revenues for the first four months to 31 July 2026 of the current financial year of approximately £1,152,000 - an increase of approximately 6.5% on the prior year's £1,082,000. The improvement in the Group's revenue was most evident in the safety division, where stronger activity, improved pricing discipline and delivery focus contributed to improved performance. The Board continues to focus on improving the quality of revenue across the Group and delivering sustainable profitability.

It is expected that PHSC will publish its half-year results in November 2026.
